阅读短文,判断正(T)误(F)

There is an old man and an old woman. They have a goose(鹅). It is a very special goose. Every day it has a golden egg. They sell the eggs for a lot of money. But the more money they have, the more they want. They think, "Our goose has golden eggs and it must be made of gold. So let us cut it open and get out all the gold. Then we will have more money." So they kill the goose. When they cut their goose open, they see that it is just like any other geese.

After that, there are no more golden eggs, so the old man and the old woman do not get any more money. In the end, they have nothing.

- () 1. There is an old man and an old woman. () 2. The goose has a golden egg every day.
- () 3. They sell the eggs for a lot of money. () 4. The goose is made of gold. () 5. They kill the goose and find more gold.

Tom and Fred are students. They are both twelve years old, and they are in the same class in their school. Today they have a fight in class, and their teacher is very angry. He says to both of them, "Stay here after school this afternoon, and write your names one hundred times." After school, all the students go home, but Tom and Fred stay in the classroom. They begin to write their names in their exercise books and wait for their teacher. When the teacher comes, Fred is crying. The teacher looks at him and asks, "Why are you crying, Fred?" "Because his name is Tom King, and my name is very very long. My name is Frederick Hollingsworth," Fred answers.

1. Why is the teacher very angry today?

2. What does the teacher ask Tom and Fred to do?

3. What is Fred doing when the teacher comes?
